(d) the major bottlenecks towards achieving the targets and steps proposed to remove the same?

THE MINISTER OF POWER (SHRI R. KUMARAMANGALAM): (a) to (c) A statement of physical targets and achievements of village electrification under Rural Electrification Corporation (REC) Scheme, State-wise, and Year-wise for the years 1992-93 is Government Annexure. [*See* Appendix 184, Annexure No. 70] A Statement of Allocation of

funds and disbursements for village electrification under REC Schemes for the period of 1992—97 is given in the Annexure. [*See* Appendix 184, Annexure No. 70]

(d) overall physical and financial targets were fully achieved and even exceeded in some areas during the 8th Plan Period 1992—97. However, certain States could not achieve their respective plan targets on account of the poor financial conditions of the SEBs, the non-remunerative nature of rural electrification programmes, non-receipt of subsidey by the SEBs from State Governments and the remote location of balance un-electrified villages and other factors. For overcoming the bottlenecks being by Ste Electricity Boards/Electricity Departments, their financial health needs to be improved and steps have to be taken to make the programme financially remunerative and viable.
